## ***From The Land Of Khansamas***

*Each region in India has its own traditional and distinctive cuisine, which offers a wide variety to vegetarians as well as non-vegetarians. Most of the spices used in Indian cooking were chosen originally (thousands of years ago) for their medicinal qualities rather than for flavor. Many of them such as turmeric, cloves and cardamoms are very antiseptic, others like ginger, are carminative and good for the digestion*

*Food from North India is characterised by its thick, tasty gravies. North Indians love chillies, saffron, milk, yoghurt, cottage cheese, ghee (clarified butter) and nuts. Their meals are hearty and often include several dishes*
